Dear Sir :

This amendment and response is being filed herewith pursuant to an office action that was mailed to Applicants' Attorney on September 8, 2006. Said action had a shortened statutory period for response of three (3) months resulting in an original due date for response of December 8, 2006. This response is therefore timely filed. Amendments to the claims can be found on the following pages 2 – 28 with associated remarks on the pages that follow, i.e., 29 – 34.
